

WHO WE ARE

We are a registered non-profit charity with chapters spanning the country from coast to coast. Our grass-roots work began in 1993 with one program and has now grown to serve thousands of less fortunate individuals within Canada and abroad.

Our mission is to develop innovative programs and events that engage volunteers and communities to meet the needs of the poor and needy. Bringing hope. Changing lives.™

We Mobilize Volunteers

Our volunteers feel called to help the less fortunate among us just as Jesus did.

We Respond to Disasters

With a global network of volunteers and partners, we mobilize relief when disaster strikes.

We Empower Communities

HOPE worldwide Canada is dedicated to finding sustainable and innovative ways to fight poverty.

OUR CHAPTERS

Our Chapters across Canada strive to develop programs and partnerships which tap into the strengths of the local community and are based on mutuality and respect. They meet needs within their community as well as respond to needs and disasters all around the globe. Chapters operate their programs locally but receive guidance, resources, administrative and technical support from the national board of HOPE worldwide Canada.

OUR WORK

From coast to coast, we create various programs and events that encourage community members of all ages to volunteer. Our goal is that every **volunteer is engaged** and **every engagement is transformative**.

Our local work includes meals for those experiencing homelessness, French and English speaking classes for newcomers, regular blood drives, school supply drives, as well as life skills classes and day-camps for children in foster care.

Through our partnership with Global Affiliates of HOPE *worldwide* we have been able to provide mental health support to children who have experienced war in Ukraine, provide meaningful connection and experiences for lonely seniors in Russia, fund rebuilding efforts in the Philippines and Nepal after natural disasters, educate children affected by HIV/AIDS in Haiti and the Ivory Coast.

"Thanks to those who arranged, donated, picked up and delivered the HUGE load of all sorts of goodies. Our staff were overjoyed at the work you have put into this to help support our youth and families who just need some extra care at this time in their lives..."

- Dana Reuther, Winnipeg Child & Family Services

"Your generous donation, and the amazing others we receive from donors just like you, help to provide ongoing care and moral support to the individuals we service..."
